English Teaching
 - Developed tailored teaching strategies to boost student engagement and performance.
 - Fostered an inclusive classroom environment that encouraged active participation.
 - Created dynamic lesson plans with interactive activities and group discussions.
 - Improved student communication skills, achieving progress in writing and speaking.

PROJECTS

- **Netflix-Clone Website** Year: 2024
Technologies: HTML, CSS, JavaScript, Material-UI 
 - Built a **responsive Netflix clone** using **HTML, CSS, JavaScript**, and **Material-UI** for dynamic content streaming.
 - Optimized for **mobile-first design** and **cross-browser compatibility** to ensure seamless access on any device.
 - Customized UI with **Material-UI** for **dark/light mode toggle**, enhancing user experience.
- **Simon Game** Year: 2023
Technologies: HTML, CSS, JavaScript, Bootstrap 
 - Developed a **Simon Game** with **HTML, CSS, JavaScript**, and **Bootstrap**.
 - Implemented a responsive design with **Bootstrap** for optimal device compatibility.
 - Created **dynamic color sequences** and user interaction using JavaScript.
 - Added **CSS animations** for interactive button effects and transitions.
 - Incorporated real-time feedback for user input validation and game progression.
- **Weather App** Year: 2022
Technologies: HTML, CSS, JavaScript, Weather API 
 - Built a **Weather App** using **HTML, CSS**, and **JavaScript** for real-time weather updates.
 - Integrated a **Weather API** to fetch live data on temperature, humidity, and wind speed.
 - Designed a **responsive interface** with **CSS** for seamless experience across devices.
 - Enabled **dynamic weather searches** with **JavaScript** for user location-based queries.
 - Added **interactive features** like search and weather icons for enhanced engagement.

CERTIFICATES & ACHIEVEMENTS

- **Zensoft Technologies Private Limited,Bhopal:** Computer Science
- **Academy Of Skill Development:** Virtual Internship
- **TechIntern Fly:** Java Development
